

Dears Endeavorers,

Greetings and blessings to you! Thank you for all that you're doing during this complicated and confusing year where COVID-19 has had a serious impact all around the globe. In the midst of everything that is going on, we are encouraged by the knowledge that the good news of Jesus is still being proclaimed through your ministry efforts!

We also look forward to celebrating 140 years of Christian Endeavor's impact since its founding on February 2, 1881. Francis Clark's vision and legacy of empowering young people continues to this day!

Every year we promote a special time to commemorate the founding of Christian Endeavor through intentional and unified prayer. We join together as the global body of Christ and seek His will for our lives, both individually and corporately. Now, more than ever, it's important that we 'never stop' joining together in prayer for our world! With this in mind, we've chosen this year's Prayer Week theme:

C.E. Prayer Week 2021
"Never Stop" - Ephesians 6:18
January 31 - February 6

We invite you to join and share in this time with all the endeavorers around the world. To do this, young people from many countries are already making great efforts to celebrate this important week, both through virtual platforms as well as making plans for face-to-face activities, in compliance with the provisions of their governmental authorities.

The resources in different languages can be found at: www.worldce.org/prayerweek. Attached to this letter you'll find a toolkit for communication and planning. We encourage young people to plan times of prayer and worship during or close to the first Sunday of Prayer Week (January 31). During each day of Prayer Week, devotional ideas, prayer challenges and inspiring messages will be shared on World Christian Endeavor's Facebook and Instagram platforms. Young people from 15 countries were involved last year and we hope to see at least 20 countries involved this year!

We are excited to receive news from you as you prepare for and celebrate Prayer Week 2021. Celebrations take on many different forms, but we're all connected by our commitment to 'Never Stop' praying and seeking the Lord together! Send photos and videos to Deepak Stanley, WCE

Communication Director, at dstanley@ceworks.faith and through social media using the hashtags #CEprayerweek2021 and #Ephesians618 #NeverStop

We're trusting that, despite adversity, we can do all things through Christ who strengthens us (Philippians 4:13).

The global pandemic is currently restricting the ability to travel and do in-person training events. We are receiving an incredible number of requests for in person equipping events once the pandemic passes. Until that is possible, extra emphasis is being placed on the translation and contextualization of the core C.E. resources. Your Prayer Week donation will support resources and materials being put into the hands of pastors and youth workers in multiple different locations. Current translation needs include Arabic, Armenian, Hungarian, Korean, Mandarin, Russian, Swahili and Urdu.
